

2025 SUDBURY VALLEY JUNIOR TENNIS LEAGUE

Hello Everyone,

This has been a fantastic year from what I can see. In fact, I think possibly, it has the best competition that I have seen since I have been involved with the League. It also, has been, the quickest I have ever been able to announce the players who are in the Championship Match.

Back to the Boys and Girls!

In the hottest of weather, the Boys and Girls came out to play, and they fought for every point they could get. Before I get to letting you know about who is in the Championship Match, let me inform you about two of the Divisions and their fight to win.

First Division was the Girls North Division;

There were two teams. Both had 5 Wins and 3 Losses. It came down to the Head-to-Head points. One team could be the winner and won by only 2 match points.

The Second Division was the Boys South Division;

There were three teams that were so close. One team had 7 Wins and 3 Losses. They were the winners, but it was the two teams right behind them that could have been in first place. Both these teams had 6 Wins and 4 Losses and again only Head-to-Head match points would tell the winner. They had played each other 4 times, and the team that won second place in that Division only took that position by 3 match points.

To me this has been an incredible season and I am so proud of all the Boys and Girls and what they accomplished.

I also want to thank all the Coaches for the hard work they did with their teams. It has not been the easiest summer, with the heat, to do their jobs, but they have put teams together that have worked.

Thank you all.
